Von John Pollock : D. L. Moody: Moody without Sankey (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised D. L. Moody: Moody without Sankey (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Used by God Von Joshua Preble I am relatively new to a life of following Jesus and I had heard many people speaking so highly of Moody. There are so many biographies of him, but I believe that God placed this one right in my hands. Many times I broke down and wept as I read this book. It is such a beautiful thing to see how God used and is still using this

man who surrendered his life completely. Pollock portrays Moody's life in probably the most accurate way by getting many different perspectives. He quotes from many journals, diaries, letters and newspapers. It was very interesting to see how God molded and developed Moody throughout his life and I learned a lot about my relationship with Christ.

Kurzbeschreibung More than a century after his death D. L. Moody remains a towering figure whose influence of his evangelism is still felt; the institutions he founded in America continue to flourish; his place in history is secure. But it is his personality that commands attention: rugged, delightful, compassionate, a man of total integrity, with a supreme gift for bringing Christianity before a whole range of contemporary hearers and putting them to work for God. Dwight Lyman Moody (even his wife called him D. L.) was the outstanding evangelist of his time - in his pioneering endeavour and fervour Moody has become an enduring figure of stature and inspiration. He landed at Liverpool, England, unknown and unexpected but when he left Britain -Scotland, Ireland and England were at his feet, he was contagious! John Pollock captures this infectiousness in his classic biography. Pressestimmen John Pollock has long been in the forefront of Christian biographers and this volume might well be considered his greatest.--Rev W M Moss, English Churchman By the time the reader has finished this book he has the impression that he knows Moody, has heard him and even shaken hands with him--New York Times Other biographies of Moody are rather bland... John Pollock makes Moody live. I heartily commend 'Moody without Sankey' to every Christian--Billy Graham Kurzbeschreibung More than a century after his death D. L. Moody remains a towering figure whose influence of his evangelism is still felt; the institutions he founded in America continue to flourish; his place in history is secure.
