Von Nash Buckingham : De Shootinest Gent'man Other Tales: And Other Tales before purchasing it in order to gage whether or not it would be worth my time, and all praised De Shootinest Gent'man Other Tales: And Other Tales:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Early 20th century waterfowlquail hunting in the OLD SOUTHVon Ein KundeA collection of some of the best of Nash Buckingham's short stories that paint an excellent portrait of waterfowl hunting, quail hunting, and life in general in the old south (early 1900's). While these tales may not be the most politically correct today, they were true for the

period and most entertaining. Nash Buckingham's impeccable sportsman's ethic and his love for the post civil war generation are quite apparent. This is the best of all the books I have read by this author, and I recommend it highly.0 von 0 Kunden fanden die folgende Rezension hilfreich. This is the one! Von swagle@radiks.net If you only buy one bird hunting, wing-shooting, bird dogging book this year, this is the one! A classic of American literature. No one comes close to Nash in capturing the essence of the field, blind, guns, people and dogs that keep us all addicted, even as we begin a new millennium!

Kurzbeschreibung Nash Buckingham was perhaps the most famous author of sporting tales in the first half of the 20th century. This collection of eight stories first published in *Field and Stream*, *Recreation*, and *Outdoor Life* was originally published by The Derrydale Press in 1934. Buckingham's ability to evoke the golden age of wild fowling along the Mississippi flyway from the 1890s to the 1940s is unparalleled. Pull up your favorite chair in front of a fire and get ready to relive some of the best hunting stories ever told.
