Von Jill Briscoe, Laurie A. McIntyre, Beth Seversen : Designing Effective Women's Ministries: Choosing, Planning, and Implementing the Right Programs for Your Church before purchasing it in order to gage whether or not it would be worth my time, and all praised Designing Effective Women's Ministries: Choosing, Planning, and Implementing the Right Programs for Your Church:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nuts and Bolts of Effective Women's MinistryVon Ida Rose HeckardIf you've felt the nudge and heard the call to start ministering to women in your community and church -- click on the apporpriate buttons and buy this book. Through candid, practical chapters Briscoe and company lead you through the nuts and bolts of building an effective ministry. The glue, of course, that holds it all together is prayer and the authors leave no doubt that they put their ministry in the

hands of the Lord. If you're looking for a straight forward aid to designing ministries that are people centered (not program centered) and meet the needs of contemporary women -- both within and outside the local church, this is the book for you. Enjoy!

Kurzbeschreibung For nearly twenty-five years, Elmbrook Church in Waukesha, WI, has supported a variety of ministries by and for women. Today their program stands as a model. Yet, as the authors of *Designing Effective Women's Ministries* will tell you, it did not happen overnight, but through trial and error. In *Designing Effective Women's Ministries*, the authors share what worked for them and what didn't. they explain how to start where you are, with what you have, and how to do what God wants you to do. *Designing Effective Women's Ministries* included tips and techniques for establishing groups and programs that meet the needs of today's women. The book shows how to develop programs that are specifically tailored to your church and your community.
