KurzbeschreibungIve been keeping a diary and Im sharing it with you. MeSkye Parks a twenty-five-year-old girl, who lives in suburban New Jersey with schizophrenia. I figure well never really meet because you wont know that the girl sunbathing on the beach in North Wildwood, New Jersey, is mesomeone who endured a small stint in a mental institution, someone who is not herself without her meds. You probably know someone like me, you just dont know it, because schizophrenics hide in plain sight, and suffer behind closed doors. So, heres your peek into the life of a schizophrenic.
