Von Mark Sidwell : Dividing Line, The (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dividing Line, The (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good book!Von Willi VilligerThe dividing line is like a watershed: Some Christian appearing is very similar to the other, genuineness and fake can be close together, but as it is with the watershed: Some water runs down to the left, and some to right. In these last days it is so necessary to discern between holy and unholy in is own life as well as in the

realm of contemporary Christendom. This book can be an help!

KurzbeschreibungThe Dividing Line by Mark Sidwell, an unashamed Fundamentalist, will help any reader understand biblical separation, apply it, and practice it. A dividing line exists between truth and error. Separation involves discerning those lines between truth and error, between obedience and disobedience. Scripture has much to say about the Christians separation from worldliness, from false teachers, and even from disobedient brothers. Sidwell defends the biblical position that Fundamentalists affirm and shows where the Bible draws the dividing lines of separation but also reveals where contemporary movements stand in the light of these principles.
