Von Thomas Kohnstamm : Do Travel Writers Go to Hell?: A Swashbuckling Tale of High Adventures, Questionable Ethics, and Professional Hedonism before purchasing it in order to gage whether or not it would be worth my time, and all praised Do Travel Writers Go to Hell?: A Swashbuckling Tale of High Adventures, Questionable Ethics, and Professional Hedonism:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. we all do itVon MurmeltierIf you have been on the road with the Lonely Planet far to many times you might want to read a bit of bashing about it, because neither are you an adventurous backpacker off the beaten track, nor are their authors the culturally sensitive supermen/women. Do Travel Writers Go to Hell is not the best travel book ever written, but it addresses the shame one feels about not living up to one's own travelling standards and the never ending mystic about the authors of THE BOOK.0 von 0 Kunden fanden die folgende Rezension hilfreich. Travel Guide Industry - Internal ViewVon Peter KellerThe story teller (author) gives insights into the travel guide industry. It's about professional corruption, disastrous wages, nomadic lifestyle, and broken relationships. The book specifically bashes Loneley Planet. It is well written and humoristic. If true it's a shame - if not it's still worth reading.0 von 0 Kunden fanden die folgende Rezension hilfreich. a must readVon Marina LaufReally well written book with many insights and ideas of how a travelwriter lives. Humerous, ironic and full of lougher.

KurzbeschreibungFor those who think that travel guidebooks are the gospel truth. WANTED: Travel Writer for Brazil QUALIFICATIONS REQUIRED Decisiveness: the ability to desert your entire previous lifeincluding well-salaried office job, attractive girlfriend, and basic sanity for less than minimum wage Attention to detail: the skill to research northeastern Brazil, including transportation, restaurants, hotels, culture, customs, and language, while juggling sleep deprivation, nonstop nightlife, and excessive alcohol consumption Creativity: the imagination to write about places you never actually visit Resourcefulness: utilizing persuasion, seduction, and threats, when necessary, to secure a place to stay for the evening once your pitiable advance has been (mis)spent Resilience: determination to overcome setbacks such as bankruptcy, disillusionment, and an ill-fated one-night stand with an Austrian flight attendant As Kohnstamm comes to personal terms with each of these job requirements, he unveils the underside of the travel industry and its often-harrowing effect on writers, travelers, and the destinations themselves. Moreover, he invites us into his world of compromising and scandalous situations in one of the most exciting countries as he races against an impossible deadline.From the Trade Paperback edition.Pressestimmen"A comic rogue who seems to have modeled his life and prose on Hunter S. Thompsons I could not get enough of the most depraved travel book of the year."The New York Times"Hilarious"The New York Times Book "the shot heard 'round the travel world"The Washington Post "A guidebook writer reveals the truth about his trade, in detail that will shock and awe."Outside"Its Upton Sinclairs The Jungle, but with tourism" The New York Observer"Kohnstamm is nobody's model travel journalist, except maybe Hunter Thompson's [hes the] sudden enfant terrible of his field Do Travel Writers Go To Hell? is the best-written, funniest book of travel literature since Phaic Tan."The Philadelphia Inquirer"Sharp writing and self-deprecating wit add spice to a chronicle of the sometimes absurd world of guidebook writing." Booklist"Readers will relish the countless stories of the author's misadventures, but Kohnstamm brings more than just anecdotes: He offers a solid understanding of the mechanics of the travel-writing industry and a unique ability to illuminate that world to readers. Notable for its spirited prose and insightful exploration of the less-romantic side of travel writing. Kohnstamm is one to watch."
