Von Doris Nikolaidis : Don't Eat the Flowers (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Eat the Flowers (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz zauberndes kleines BuchVon ChangEin unterhaltsames Buch, lustig liebens- und lesenswert!! Fr alle die mal etwas

Biographisches lesen mchten und nicht auf Promi-Enthllungs-Lektre stehen.

Kurzbeschreibung This book is a kaleidoscope of the author's adventurous and often comical life, from stories of growing up in chaos after the end of World War II to her hitchhiking trip across America. In a series of humorous and heartwarming essays, she recounts the stories of her childhood in Germany, her introduction to America, and her gradual realization that she is no longer an immigrant but is truly an American. Kurzbeschreibung This book is a kaleidoscope of the author's adventurous and often comical life, from stories of growing up in chaos after the end of World War II to her hitchhiking trip across America. In a series of humorous and heartwarming essays, she recounts the stories of her childhood in Germany, her introduction to America, and her gradual realization that she is no longer an immigrant but is truly an American. ber den Autor Doris Nikolaidis was born in Hamburg, Germany one month after the end of World War II. She immigrated to America at age twenty and settled in San Francisco, married Nick, a Greek immigrant, and, after the birth of her daughter, became an American citizen. She currently lives in Union City, California
