Through Asia as a Twenty-Year-Old Pseudo-Virgin:

Kurzbeschreibung Fresh out of the Israeli Army, twenty-year-old Iris Bahr decides to follow the footsteps of many before her and backpack through Asia. Only unlike the average traveler, she has more in mind than just seeing the sights: she is on a desperate mission to lose her virginity. *Dork Whore* is a fresh and funny memoir about a young woman whose quirky personality and embarrassing neuroses always seem to get in the way of her getting what she wants. As Iris lands in hotel rooms in Bangkok, rides scooters out of opium-fogged compounds hidden in the jungle, and antagonizes an impromptu tour group in Vietnam, she begins to realize that the greatest obstacle she'll have to overcome isn't losing her virginity, but coming to terms with the reasons for her need to be accepted. Poignant, hilarious, and always original, *Dork Whore* is a remarkable mix of bawdy humor and heartbreaking moments, witty intelligence and touching personal discoveries. Iris Bahr has given us an unforgettable coming-of-age tale about how a young woman finally learns how to trust others-and her own judgment. *Pressestimmen* "Girl meets boy, girl meets another boy, and girl meets another boy my kind of book! *Dork Whore* is hilarious. Its like listening to a drunk friend tell you all the embarrassing stuff shell regret the next day." Chelsea Handler, author of *My Horizontal Life*
