Von Julius Erving, Karl Taro Greenfeld : Dr. J: The Autobiography before purchasing it in order to gage whether or not it would be worth my time, and all praised Dr. J: The Autobiography:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great BookVon Axel GruhnVery good book about the Doctor, who was the mots spectacular Basketball player, before a guy named Michael Jordan came along. Detailed and honestly written, I liked this book a lot.

Kurzbeschreibung With startling honesty and an unmistakable voice, Dr. J is a historic self-portrait of an American legend, Julius "The Doctor" Erving. With his flights of improvisation around the basket and his towering afro, Julius Erving became one of the most charismatic (and revolutionary) players basketball has ever known. But while the public has long revered this cultural icon, few have ever known of the double life of Julius Erving. Dr. J traces the inner lives of the nearly perfect player and the imperfect man and how he has come to terms with both. Pressestimmen A deeply personal and almost shockingly honest book. (New York Daily News) There's enough basketball here to keep fans interested, but the book isn't really about what happens on the court. It's about a thoughtful man who, for a time in his youth, was a famous athlete. A rewarding reading experience. (Booklist) The book is quite an accomplishment: a terrific memoir by a man worthy of one. (Sports Illustrated) The NBA's most transformative player submits an unusually revealing autobiography. (Kirkus s) Kurzbeschreibung With startling honesty and an unmistakable voice, Dr. J is a historic self-portrait of an American legend, Julius "The Doctor" Erving. With his flights of improvisation around the basket and his towering afro, Julius Erving became one of the most charismatic (and revolutionary) players basketball has ever known. But while the public has long revered this cultural icon, few have ever known of the double life of Julius Erving.
