KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Very helpful, but some similar informationVon Ein KundeI own other Lee Hammond books, and some of the information from them were re-used in this book. The sections that are new are great! The photographs are wonderful and the step by step drawings are very helpful. I believe the best part of the book was "Drawing the Fashion Face", which had many tips on eyes, noses, ears, and proper proportion. I recommend this book to any beginner or intermediate artist wanting to draw fashion.
