Kurzbeschreibung With assistance from Michele Maltseff, artist Walter T. Foster shows you how to render a variety of different horse breeds in pencil, with tips on adding touches with charcoal, crayon, and brush and ink. In this step-by-step book, he explains not only a number of drawing techniques and special effects but also his own method of developing a drawing to its fullest. You will learn about various breeds and their proportions, starting with their heads and then progressing to full bodies. And in addition to helpful drawing instruction, *Horses* also contains a wealth of beautiful equine drawings you can both copy and admire! Its a fabulous addition to any artists drawing reference library.
