KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful bookVon MostlysevenWhat a wonderful story. The writer gives a humorous insight in becoming and being a cruising captain and writes it well. Unfortunately he was on a motor yacht, but as a sailing yacht cruiser myself, that didn't bother at all. The description of the many place visited in the med were much recognisable although 20 years ago.

KurzbeschreibungWhen Alwyne suddenly becomes tired of the monotony of life, he realises it is the perfect time to

pursue his dream of sailing around the Mediterranean. After all, he is 48 years old and his three kids are already into their twenties ... all he has to do is talk the missus round. His wife, Jean, reluctantly agrees to trade in their beautiful cottage in Yorkshire to embark on a new, unpredictable life out on the sea. It was the midlife crisis that turned into the adventure. This is the hilarious true story of a couple thrown in at the deep end as they skipper Blue Skye C, a 25-metre yacht owned by an eccentric multimillionaire. Follow their voyage of exploration through France, Greece, Turkey, Malta, Sicily and Mallorca as Alwyne and Jean struggle with the language barriers, cultures and protocols each port of call has to offer, running into a host of wacky characters along the way. The world is their oyster and with unlimited possibilities on the horizon, every day becomes a new beginning. Through love, laughter, frustration and anxiety, *Drink, Dear Boy?* is an unforgettable, heart-warming journey and the perfect travel companion.
