Von Nancy Kress : Dynamic Characters: How to Create Personalities That Keep Readers Captivated before purchasing it in order to gage whether or not it would be worth my time, and all praised Dynamic Characters: How to Create Personalities That Keep Readers Captivated:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Excellent in-depth discussion on character development.Von kpOften I find reference books that skim a variety of topics, never giving enough focus to one particular topic. Dynamic Characters breaks down character creation and development into clear and concise segments, with detailed discussion for each topic. The techniques Kress shows have already helped in my writing attempts.2 von 3 Kunden fanden die folgende Rezension hilfreich. Great Guide To

Characterization Von Anon This book is a very valuable insight to the writer who has no idea how to work with characterization (would someone mail a copy of this to Robin Cook?). Kress covers all aspects of characterization-- from what you need to know about your character, how to use it, character growth, and how character and plot work together. She also provides great examples to click home what she is trying to explain to you. Her examples come from a wide variety of literature (though my favorite was her example from Stephen King's *Carrie*). This is important to all learning writers. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Wonderfully helpful book on the core of fiction, characters Von Ein Kunde I read Nancy Kress's fiction column in *Writer's Digest Magazine* every month and find it always has very practical suggestions. This book on characters is a wonderful compilation of all her wisdom on a topic of particular interest to writers of popular fiction. She does an outstanding job. So much so that I found myself taking extensive notes in an attempt to burn in my brain all the great advice she gives. One of the most wonderful parts of the book is the extensive outline she provides for creating a biography for each of your major characters. This is extremely helpful! I plan to use it for all my future stories.

Kurzbeschreibung A truly unforgettable story is defined by its characters. Their motivations, their changes, their actions compel us to read on, anxiously trying to discern what will happen next. In *Dynamic Characters*, award-winning author and *Writer's Digest* columnist Nancy Kress explores the fundamental relationship between characterization and plot, illustrating how vibrant, well-constructed characters act as the driving force behind an exceptional story. Kress balances her writing instruction with hands-on checklists to help you build strong characters from the outside in. Blending physical, emotional and mental characterization, you'll learn to create characters that initiate exciting action, react to tense situations, make physical and emotional transformations, and power the plot from beginning to end.
