Von Anne Fine : Eating Things on Sticks before purchasing it in order to gage whether or not it would be worth my time, and all praised Eating Things on Sticks:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Beissend witzigVon ScholerNach der kstlich komischen Weihnachtskomdie mit Harrys skurriler Familie (The more the merrier) folgt jetzt der nchste Band ber Harrys unfreiwillige Abenteuer. Damit seine Eltern in Ruhe renovieren knnen, nachdem er selbstvergessen und planlos die Kche in Asche verwandelt hat, muss er zu einem Familienmitglied ausgelagert

werden. So kommt er zu einem höchst exotischen "Urlaub" mit seinem weltfremden Onkel Tristram....In beissender Komik und mit scharfem Blick auf die zwischenmenschlichen Töne und Manipulationsversuche beschreibt Anne Fine die Abenteuer dieser Woche aus Harrys Sicht. Das Buch ist für Jugendliche geschrieben, macht aber den Erwachsenen mindestens soviel Freude in seiner unverstellten Analyse der Irrwege des familiären Miteinanders. Eine Lesevergnügen mit Trainingspotential für alle Lachmuskeln. Sehr empfehlenswert.

Kurzbeschreibung Harry is in trouble. He's burned down the family kitchen so now has to spend a week of his summer hols with his uncle Tristram - who's heading off to stay with a new girlfriend - Morning Glory - on a tiny British island. Harry doesn't expect it to be a lot of fun - with just a wacky competition at the end of the week to look forward to. He certainly didn't expect to discover all the beards. Or the angel on the mountain. Or the helicopters circling overhead all week. And he definitely didn't think it would be so wet . . . Pressestimmen "Anne Fine's acerbic take on life often assumes a level of sophistication in her young readers. Insights into the emotional lives of grown ups can appeal to children and the misunderstandings that surround Harry and Tristram's trip create comic situations that make the readers, for once, the knowing ones" (Nicolette Jones The Sunday Times) "Family relationships come under close scrutiny in this book, which is ideal for the summer holidays" (The Bookseller) "A lively, witty, rain-drenched tale full of big beards, from one of our best children's writers" (Daniel Hahn Independent on Sunday) "This is a most enjoyable book" (Mary Arrigan Irish Examiner) "This is Anne Fine at her hilarious best" (Wendy Cooling Child Education) Werbetext A hilarious tale of a holiday week on a remote British island - where the highlight of the week is the annual Fair with its Eating Things on Sticks competition
