**Von Various : Edgar Rice Burroughs' At the Earth's Core** before purchasing it in order to gage whether or not it would be worth my time, and all praised Edgar Rice Burroughs' At the Earth's Core:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Erster Band der Pellucidar-Reihe von 1914, unterhaltsame gut gemachte ComicversionVon Michael CollinERBs klassische Lost World-Abenteuer Geschichte ber die Reise von David Innes und Abner Perry ins Innere der Erde, wo sie das vergessene Land Pellucidar entdecken und haarstrubende Abenteuer erleben.Pulp at it's best, Heldenmut und fiese

Gegner, Dinos und die schne Dian, um deren Liebe Innes kmpfen muss: eine Stunde actionreiche Unterhaltung und Abtauchen in eine Welt, in der es keine Zweifel gibt, wer die Guten und wer die Bsen sind: wer darauf Lust hat, ist hier genau richtig. Die Story ist erzählerisch und zeichnerisch flott umgesetzt, vor allem die Artwork von Jamie Chase hat mir gut gefallen. Ich hoffe, dass Dark Horse weitere Hardcover-Bnde in der Reihe Sequential Pulp herausbringen wird, der Zeitpunkt wird vermutlich nie besser sein, denn das Interesse an den Pulps hat einen neuen Hhepunkt erreicht.

Kurzbeschreibung Edgar Rice Burroughs' 1914 pulp fantasy epic comes to life! Follow David Innes and Abner Perry as they take their "iron mole" five hundred miles below the Earth's crust to a world known as Pellucidar. Thrill as they cross paths with the evil Mahar, the ape-like Sagoths, and all manner of prehistoric creatures . . . as well as the lovely Dian the Beautiful! More than simply an epic adventure, At the Earth's Core is also one of Burroughs' most compelling love stories. Kurzbeschreibung Edgar Rice Burroughs' 1914 pulp fantasy epic comes to life! Follow David Innes and Abner Perry as they take their "iron mole" five hundred miles below the Earth's crust to a world known as Pellucidar.
