KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. What

writers and editors need to know! Von Ein Kunde Editors on Editing is a must have reference for writers as well as to-be editors. It is a collection of real stories that teach you and make you think about the editorial world from every angle and in every step of production. It is especially helpful for new editors and people looking to get into editing. It will definitely answer a lot of your questions and will dispell many myths.

Kurzbeschreibung Since 1962 Editors on Editing has been an indispensable guide for editors, would-be editors, and especially writers who want to understand the publishing process. Written by Americas most distinguished editors, these 38 essays will teach, inform, and inspire anyone interested in the world of editing. Editors on Editing includes essays on the evolution of the American editor; the ethical and moral dimensions of editing; what an editor looks for in a query letter, proposal, and manuscript; line editing; copyediting; the freelance editor; the question of political correctness; making the most of writers conferences; and numerous other topics
