KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fascinating and very informative!Von Egon FortuneA really very well investigated biography of the talented fighter Ronda Rousey.As a journalist and neutral observer Matt Demers reports all he could find about the Judo- MMA-star, whether it shows her in a positive light or in a negative, leaving the final assessment to the reader.Matts writing style is down-to-earth and fact-orientated.I really enjoyed this book and appreciate Ronda even more after reading it. I am looking forward to read her autobiography.

"Ive been through so much that there isnt much left that can scare me. Ive felt the most pain that I could ever feel, and Ive felt the most pressure that I could feel and theres nothing else left. And I believe that Im capable of doing anything." -Ronda Rousey
