**Von Carl, 1878-1967 Sandburg : Rootabaga Stories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rootabaga Stories:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful fantasy of a book. Von Julie Lovisa I wish I could give this book 10 stars...what can you say about an author that gives his characters such wacky and fitting names? The "Potato Face Blind Man," "Bozo the Button Blaster," "Ragbag Mammy," and "Spink and Skabootch" leave their marks on your memory as perfect children's fairy tale characters. The imagery in this book is unbelievable and I have to believe that this is the prose equivalent of e.e.

cummings poetry because Carl Sandburg enables you to see the fantastic worlds he has created almost as if you had created them yourself. If you can get your hands on a copy of "More Rootabagas," which is out-of-print, buy it, if only for the two stories, "A Girl Named Silver Pitchers Tells a Story About Egypt, Jesse James, and Spanish Onions," and "The Story of Peter Potato Blossom Wishes and How She Went Down into Rootabaga Country and Came Back with Five Sky Blue Whispering Cats." I can't think of any more lyrical and imaginative writings for children than the words you will find in these, or any of the Rootabaga Stories.0 von 0 Kunden fanden die folgende Rezension hilfreich. 'Loved the Potatoe Face Blind Man!!!Von Ein KundeA refreshing book of fantasy and rhymes, 'Rootabaga Stories' is sure to please. This is the kind of book I know everyone will love and it is also a great book to read aloud, for a bedtime story or a rainy day. If you've read it once, the odds are 1 to 99 that you'll read it again. I have read it 6 times and am still coming back for more. Ingeniously written, Carl Sandberg has done it again. This is a great book for children reading, but also for adults! In fact, this would be a good book for a child and an adult to read together. A sure pleaser.

KurzbeschreibungHardPress Classic Books SeriesPressestimmen"Takes the home-bred American fantasy of The Wizard of Oz even further."--School Library Journal"Glorious for reading aloud."--The New York Times Book
