**Von Eugene H. Peterson : Run with the Horses: The Quest for Life at Its Best** before purchasing it in order to gage whether or not it would be worth my time, and all praised Run with the Horses: The Quest for Life at Its Best:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. An invaluable guide to successful Christian living.Von Ein KundeReading it now for the second time, I realise that "Run with the Horses" (the British title is "The Quest") is possibly one of the most dynamic and uplifting books I've ever read. It's about living life, the God-life, to the fullest - persuing it with excellence, "running with the horses". It's about how living life this way, and refusing to accept or settle for the mediocre, is, for the Christian, the only true measure of

success. In a goal-driven, achievement-orientated world, the life of Jeremiah offers hope and encouragement to those who do not fit the world's mould. Jeremiah's is a life lived passionately for God; a life that refuses to be beaten down, and to be conformed to the standards and patterns of the world. It's not an easy life - Jeremiah has more than his fair share of doubts, despair and rejection. But, ultimately, it's the only life worth living. A stunning piece of writing. Read it, and marvel.

KurzbeschreibungA Formatio book. We all long to live life at its best--to fuse freedom and spontaneity with purpose and meaning. Why then do we often find our lives so humdrum, so unadventurous, so routine? Or else so frantic, so full of activity, but still devoid of fulfillment? How do we learn to risk, to trust, to pursue wholeness and excellence--to run with the horses in the jungle of life? In a series of profound reflections on the life of Jeremiah the prophet, Eugene Peterson explores the heart of what it means to be fully and genuinely human. His writing is filled with humor and self-reflection, insight and wisdom, helping to set a course for others in the quest for life at its best.
