before purchasing it in order to gauge whether or not it would be worth my time, and all praised Russian Language in 25 lessons: Russian Learning for Beginners, Advanced, Dummies, Teens, Kids (Learn to Speak Russian Alphabet, Noun, Grammar, New Words Fast and Easy) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Russian Grammar In a NutshellVon KundeThis book is perfect for all of those who don't want to spend hours and hours with complicated grammar books but to get a quick overview in order to use the language.I've used the book to learn the basic structure and grammar rules of the Russian language before I started conversations with native speakers on Skype or Social Media sites. Everything relevant for beginners is included and the book always provides examples which help understand verb conjugation, noun declension, verbal aspects, etc. in an easily understandable way.I can strongly recommend the book to everyone who want an uncomplicated but effective introduction into Russian grammar. If you want explicit grammar then you obviously have to buy a bigger grammar book but this book fills its 84 pages quite effectively and is undoubtedly a useful gadget for the early stages of Russian.

KurzbeschreibungThe Ultimate Handbook for Learning Russian LanguageDo you want to speak Russian? Do you want to know Russian Pronunciations, Alphabet, Numbers and Grammar? Are you already Learning Russian? Then this is the book you need to read.Learning to communicate in the Russian language is not as hard as you might think neither its something that requires you to put your hand deep in your pocket and spend hundreds of \$ on Russianteachers.This book simplifies the process and shortens the learning curve.The result? You can finally learn to speak the Russian language decently and not ridiculing yourself byknowing a couple of phrases that you cannot make any practical use of.This Book Is A Must Have For You:- If you want to learn Russian easily and fast- If you want to learn Russian language but don't know where to start;- If you prefer learning in the comfort of your own place while studying at your own pace!- If you have ever tried to learn Russian but struggled a lot during the process and eventually quit!Written by a native speaker.KurzbeschreibungThe Ultimate Handbook for Learning Russian LanguageDo you want to speak Russian?
