An excellent delve into the Saatchi Saatchi story!Von Ein KundeAs a new reader on the subject of Saatchi Saatchi and the industry as a whole I was pleased to read such a frank, sufficiently detailed, and well-written account. I would strongly

recommend this book as a first read this topic.

Kurzbeschreibung Follows the rise and fall of Iraqi-born Jewish brothers from London, Charles and Maurice Saatchi, who created some of the most memorable ad campaigns of the 1970s and 1980s, and then in 1994 were ousted from their firm by an American shareholder revolt.
