Von Peter Hathaway Capstick : Safari: The Last Adventure before purchasing it in order to gage whether or not it would be worth my time, and all praised Safari: The Last Adventure:

Kurzbeschreibung Peter Capstick's earliest books have firmly established him as the modern-day master of African adventure writing. Now, for all his readers who want to put their taste for adventure into practice, Capstick has written the first modern authoritative, comprehensive travel guide to African safari. Drawing on his years of experience as a professional hunter, Capstick explains everything a bwana needs to know: how to select and book a safari; where and when to go; fees and licenses; the guns, ammo, and personal equipment needed. Chapters on each of the Big Five (lion, Cape buffalo, elephant, leopard, and rhino-- the trophies most hunters want to take) describe the techniques, thrills, and dangers of hunting these clever and cunning animals. The other memorable delights of safari, like camp life, bird shooting, fishing, photography, and game viewing in wildlife parks, are also celebrated. A list of safari agencies, hunting companies and professional hunters, suggested equipment for a 21-day safari, and a trophy price list round out the most exhaustive guide to safari ever written. Packed with solid advice and nuggets of campfire lore and hunting yarns, illustrated with thirty-four black and white photographs and six line drawings, *Safari: The Last Adventure* is sure to become a classic work in its field, essential equipment for anyone going on safari or just dreaming of one...

Pressestimmen "Few writers have matched Capstick's flair describing the hunt...in gruesome, realistic terms...A page-turner that is absolutely spine-tingling."--"Publishers Weekly" on "Death in the Long Grass" "A most dramatic, action, danger and adventure epic for big game hunting fans...You won't put it down until finished."--"Maryland Gazette" on "Death in the Silent Places" "Imagine confronting one of the most dangerous game animals of Africa. No thanks?...Well, the next best thing to being there (and a whole lot safer!) is a Peter Hathaway Capstick book."--"Best Sellers" on "Death in the Dark Continent"
