Glorious in it's honesty and reality flavored with LoveVon Ein KundeI sought the man, in order to tell him how inspirational his adventures and his books are to me...I am disabled but with Tristan's writings, the adventurous spirit that lives inside of me is alive and 'abled' through the honesty in the telling, the respect for all people as individuals and the frankness

regarding the truth of life. Tristan speaks with his heart .. the delights and cruelties of nature and man, are beyond words into the innocent love of the Creator through His Creations. I will never pilot any type of boat (nor would I wish to)nor would I ever sail or desire to. Tristan's books are more than that, more than the challenge to do the same as he. They are about the beauty of Life itself and the value of it. Unfortunately, Tristan Jones passed away before I 'discovered' his books and I was unable to tell him how his writings, his honest persona awakened my heart. No reader of Tristan's books is disabled. I travel with him and I learn about Life all over again.0 von 0 Kunden fanden die folgende Rezension hilfreich. Another great adventure from Triston JonesVon David BiggsA truly amazing and very poignant book. Triston has a great style that places you in his eyes and allows you to feel his emotions. This man has experienced more in his life than most of us could in 10 lifetimes. A great adventure by a great man. A sure hit for the sailor or non-sailor.0 von 0 Kunden fanden die folgende Rezension hilfreich. so ein alter SchluriVon enrigo123aber immer wieder Klasse wie Tristan Jones sein Leben auf und mit der See beschreibt. Er macht Appetit auf Seefahrt.

KurzbeschreibungTristan Jones was one of the most acclaimed sea-faring storytellers ever. The combative Welshman was born at sea on a ship off Tristan da Cunha. He dropped out of school at 14 to work on sailing barges, and then spent the rest of his life at sea-first in the Royal Navy, then as a delivery skipper, then as a daring adventurer. SAGA OF A WAYWARD SAILOR tells the tale of one of his most exciting adventures. Jones sails through treacherous waters aboard the Cresswell, a lifeboat converted into a sailboat, struggling to survive against impossible odds. He makes it through violent storms, arrest by the Soviet Navy, and other extraordinary experiences. Join Tristan Jones and a host of other lively and intriguing characters, as this salty and humorous tale unfolds.
