Truly AmazingVon S.B.It is really worth reading this book because while reading it, it feels as if you yourself are in the middle of the Himalayas. The spiritual experiences described in this book are beyond words and often just by reading this book deep spiritual experiences occur. Truly touching.It brings a kind of inner peace especially for those who always had the longing to travel to the Himalayas on a spiritual journey.

Kurzbeschreibung"Himalay Ka Samarpan Yog" is not just a book. Its an autobiography of the Enlightened Guru Shri Shivkrupanand Swamiji, who has acquired and shared a simple Meditation technique which is practised by hundreds of thousands of people around the world. The meditation technique is popularly called "Samarpan Meditation".Read this unique book which contains real life experiences in the Himalayan Valley. This book will not only take you to the sages of Himalayas, but will also provide you a truly spiritual experience. This book has certain volumes. The book was been written by Shri Shivkrupanand Swamiji during the 45 days Intensive Meditation in the year 2009.Kurzbeschreibung"Himalay Ka Samarpan Yog" is not just a book.
