Useful GuideVon Customer "Germanist"We found this guide to have a lot of ideas and to be very useful. Having a copy on my Kindle saved weight. I would like to add that the traffic was horrible, even in May of 2014. The roads are narrow and crowded, and the sidewalks almost non-existent.Our hotel was the Costa Marina Villas in Fira. It was excellent, the owner/manager very attentive and helpful, and reasonably priced. I recommend their 5 breakfasts, which are great.
