**Von Suzanne Selfors : Saving Juliet** before purchasing it in order to gage whether or not it would be worth my time, and all praised Saving Juliet:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadToo"This above all: to thine own self be true." Shakespeare. This was the underlying theme in this excellent story about growing up.Mimi Wallingford is the last in line of a Shakespearean acting family. All her mother wants her to do is be a Shakespearean actress in New York at the family theater. All 17-year-old Mimi wants is to be a normal teenager.She wants to go to college in Los Angeles and study medicine. She

wants to see the world. When we first meet Mimi, she is playing Juliet. Her Romeo is teen pop star, Troy Summer, who has ego problems. Mimi is attracted to Troy but can't believe he would ever look twice at her. After having a very bad evening, she and Troy are transported to the very real story of Romeo and Juliet. She meets both of the main characters and is surprised when Juliet is having the same problems with her mother as she is with her own. Lady Capulet is a major villain in this story. Mimi and Troy learn many lessons and help Juliet and Romeo find their destinies, while getting the confidence to solve their own problems. They also do this with an incredibly happy ending. It is very gratifying to have another story based on the classic Shakespeare story. I loved the way that the author headed each chapter with a quote from Shakespeare which applied to the chapter and the story line. I really enjoyed this book, and if I was a ninth-grade teacher I would have my class read this after we studied Romeo and Juliet; but, alas, I am only a fifth-grade teacher! Reviewed by: Marta Morrison

**Kurzbeschreibung** Mimi Wallingford, Great Granddaughter of Adelaide Wallingford, has the life that most girls dream about, playing Juliet opposite teen heartthrob Troy Summer on Broadway in Shakespeare's famous play. Unfortunately, she has no desire to be an actress, a fact her mother can't seem to grasp. But when she and Troy are magically thrust into Shakespeare's Verona, they experience the feud between the Capulets and Montagues first hand. Mimi realizes that she and Juliet have more in common than Shakespeare's script—they are both fighting for futures of their own choosing. Mimi feels compelled to help her and with Troy's unexpected help, hopes to give Shakespeare's most famous tragedy a happily-ever-after-ending.
