Von Phyllis Reynolds Naylor : Saving Shiloh (Shiloh Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Saving Shiloh (Shiloh Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Shiloh Review and Comments Von Ein Kunde Looking for a great Book get Saving Shiloh. This book is excellent. I loved the whole story. I think this book should win an award. My favorite part was when Judd Travers came over for Thanksgiving. Phyllis Reynolds Naylor is a great author, (she wrote Saving Shiloh didn't she?). I think Marty is a great character in the book. He was a nice and good kid. It was cool the way he took such responsibility. At the very

beginning I thought Judd Travers was trying to be good. Marty's parents think everyone needs a second chance. Everyone else (in town) think just the opposite though. I agree with Marty's parents. Even though Judd was accused of killing the man he had a fight w/ I always thought he didn't do it. Marty wants to believe in Judd too (like his parents). I wondered if Marty's trying to help Judd worth it all? Or is it a waste of time? Shiloh may be scared of Judd still but he could try to warm up to him and forgive(my thoughts when reading the book). This is a great book buy it, read it, or just listen to it (on the audio version).0 von 0 Kunden fanden die folgende Rezension hilfreich. A good conclusion to the Marty/Shiloh trilogy! Von Ein KundeA reader from Berea, Kentucky A good conclusion to the Marty/Shiloh trilogy! Marty and his dog Shiloh come full circle in this last of Phyllis Reynolds Naylor's trilogy. Having read each of the books in the series, I must say Shiloh is my favorite, but Shiloh Season and Saving Shiloh are well worth a reader's time! Naylor has a knack for naturally developing her characters. We want to hate Judd Travers from the beginning, but we, like Marty, wonder if there's a chance for Judd to really change. The experiences Marty has dealing with Judd and the anxiety that is described mounts to a dynamic conclusion that is not quite predictable, but desired by eager readers. Each of the Shiloh trilogy books has an easy style of writing, one that gives a realistic glimpse into rural West Virginia. We see and understand the struggles Marty goes through and anticipate a happy ending. Sometimes we are left hanging at the end of the chapter, but Naylor wraps up her Shiloh adventure with a satisfying conclusion.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungMarty Preston wonders why it is that despite Judd Traver's attempts to redeem himself everyone is still so willing to think the worst of him. Marty's friend David is sure that Judd will be named as the murderer of a man who has been missing. Others are sure that Judd is behind a series of burglaries in the area. But Marty's parents and, with some trepidation, Marty himself persist in their attempts to be good neighbors and to give Judd a second chance. Now that Marty has Shiloh, maybe he can help Judd to take better care of his other dogs. Then again, maybe folks are right -- there's no way a Judd Travers can ever change for the good. Then a terrifying life-or-death situation brings this dilemma into sharp focus. Saving Shiloh is a powerful novel that brings this trilogy to a close.Pressestimmen"Reads like a nail-biting mystery...Gripping and ultimately satisfying. [A] masterfully written conclusion to a sterling trilogy." -- "Booklist, " starred reviewKurzbeschreibungMarty Preston wonders why it is that despite Judd Traver's attempts to redeem himself everyone is still so willing to think the worst of him.
