Kurzbeschreibung Fifteen years ago, Dashiell "Dash" Bad Horse ran away from a life of poverty and hopelessness on the Prairie Rose Indian Reservation in search of something better. Now he's come back home armed with nothing but a set of nunchucks, a hell-bent-for leather attitude and one dark secret, to find nothing much has changed on "The Rez" short of a glimmering new casino run by a corrupt leader named Red Crow, and a once-proud people overcome by drugs and organized crime. The final volume of the series brings together all the threads laid out from the very beginning for a dramatic conclusion years in the making!
