Von Matthew Reilly : Scarecrow Returns: A Novel (Shane Schofield) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scarecrow Returns: A Novel (Shane Schofield):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fehlt in meine collection (nichts mehr)Von Peter RobsonSchnell geliefert ohne zuviel verpackung.Mit Matthew Reilly hat man

von anfang bis zu ende abenteuer pur !!!Nur zu empfehlen !!!4 von 4 Kunden fanden die folgende Rezension hilfreich. Unbelievable Action-Sequences - LiterallyVon KundenrezensionenATTENTION - THIS BOOK IS IDENTICAL TO "SCARECROW AND THE ARMY OF THIEVES" After the last title Scarecrow has been taken out of circulation. His traumatic experiences surrounding the execution of Fox in the last novel have made him unfit for normal duty and so he gets a teaching-position until work with a civilian psychologist brings him around. After that - and because following the destruction of a French submarine in "Ice-Station" military assassins of the Grande Nation are after him - Scarecrow gets sent to the arctic to test new military equipment in the extreme cold. With him are some civilians and some Marine - among them Mother. The quiet work with new weapons, ration-packs and a robot gets cut short when a nearby Russian weapon-development facility is overrun by the anarchist Army of Thieves that releases an atmospheric weapon that threatens to destroy large parts of the Northern hemisphere. There are only a few hours till deployment and Schofield and his little group and a troop of SEALs are the only ones near enough to go to Dragon Island and stop the weapon of very massive destruction. Outrageous odds are nothing new in Scarecrow-novels and Matthew Reilly seems to live for them, but in this case he goes a few steps to far for my taste in lucky coincidences and feats of endurance. Realism has never been very important in his books - which has been part of the fun reading them - but this goes a bit to far. But I liked the development of the character of Scarecrow and some of the new characters quite a bit. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung From the internationally bestselling author, the fourth novel in the thrilling Scarecrow series featuring some of the wildest and most sustained battles in an action thriller in a long time and a little bit of conspiracy" (Chicago Tribune). From the internationally bestselling author, the fourth novel in the thrilling Scarecrow series featuring some of the wildest and most sustained battles in an action thriller in a long time" (Chicago Tribune). A Cold War doomsday device hidden deep in the Arctic. A mysterious terrorist group about to unleash havoc upon an unsuspecting world. Only one team close enough to sabotage them. Captain Shane Schofield, call sign Scarecrow, and his ragtag band of Marines and civilians are outnumbered and outgunned. But with only a few short hours till Armageddon, Scarecrow and his soldiers bravely undertake an edge-of-your-seat, white-knuckle adventure to save the Earth from total annihilation. Pressestimmen Nobody writes action like Matthew Reilly. Vince Flynn, New York Times bestselling author of Kill Shot Matthew Reilly is the king of hard-core action. Brad Thor, New York Times bestselling author of Full Black Some of the wildest and most sustained battles in an action thriller in a long time. . . . Nonstop action, lots of explosions and a little bit of conspiracy. Chicago Tribune Matthew Reilly novels should come with health warnings on the cover. . . . [T]he non-stop life-threatening action . . . is not for the faint-hearted. Its a wild ride. The Daily Telegraph (Australia) For fans of action, [Matthew Reilly] is essential reading. Library Journal Werbetext The action-packed new thriller from SUNDAY TIMES bestseller Matthew Reilly. This time the world's on fire!
