KurzbeschreibungNineteen-year-old Harmony Dust is trapped. Thousands of dollars in debt, struggling to get by, dominated by her boyfriend: thing cant get any worse until someone tells her how much money she can make as an exotic dancer. For the next three years, Harmony lives a double life as Monique, a dancer in a fully-nude strip club. Scars and Stilettos is Harmonys stark, honest, and ultimately hopeful story of how God found her in that dark, noisy place and led her back out. She has since married, completed an MA in social Welfare, and now leads Treasures, an organization helping women in the sex trade discover their true worth.KurzbeschreibungNineteen-year-old Harmony Dust is trapped.
