Kurzbeschreibung They hear the spirits. They must obey. In the Forest of the Dead, where the empire's worst criminals are exiled, twin sisters Moria and Ashyn are charged with a dangerous task. For they are the Keeper and the Seeker, and each year they must quiet the enraged souls of the damned. Only this year, the souls will not be quieted.

Ambushed by an ancient evil, Moria and Ashyn must race to warn the empire of a terrifying threat. Accompanied by a dashing thief and a warrior with a dark history, the sisters battle their way across a wasteland filled with reawakened monsters of legend. But there are more sinister enemies waiting for them at court - and a secret that will alter the balance of their world forever. The first volume in the Age of Legends trilogy, *Sea of Shadows* is a thrilling dark fantasy where evil hides in every shadow and the deadliest monsters of all come in human

form...**Pressestimmen** Armstrong smoothly switches from her customary modern paranormal setting to a high-fantasy adventure. Strong female protagonists make this trilogy opener a standout. (Kirkus) We loved the dark fantasy and smoldering romance in this story of identical twins with very different personalities. A tale of heroes, filled with mythological creatures, valor and self-sacrifice--fans of high fantasies will happily slip into this action-packed and exciting tale. (Justine Magazine) A fascinating mythical world filled with danger, monsters, and betrayal at every turn. Fantasy fans will enjoy the complex world. (School Library Journal)**Werbetext** They hear the spirits. They must obey.
