A great salty yarn, as good as any ever before.Von Ein KundeThere might be a better Tristan Jones book,but this one ranksright in there with his best. If you've never read a taleby this master sailor and adventurer, then start with Saga of a wayward sailor, or maybe Ice, or even....ah well, what ever Jones book you read first, you'll be back here,

guaranteed.No one ever has enough of the adventures of this salty lad. The angels of death visited him not long ago, so what we have is all we'll ever get. Enjoy, for there'll not be another like him.0 von 0 Kunden fanden die folgende Rezension hilfreich. Pearls of WisdomVon Ein KundeHe must have been in a great mood when he wrote this- the funniest of his books. Not so much about his sailing adventures as the array of characters he is surrounded by. Within every hilarious episode, Jones is never without the pearls of wisdom which makes him the unique author he is. 5 stars and the north kicked in for good measure.0 von 0 Kunden fanden die folgende Rezension hilfreich. und wenn nur die Hilfe wahr istVon enrico123was er schreibt. KurzbeschreibungJoin Tristan Jones as he tells tales of the humorous and fascinating adventures that his Saga of a Wayward Sailor began. Discover more anecdotes and unexpected adventures aboard a converted lifeboat ketch cruising the coasts of the Balearic region with Tristan, his one-eyed, three-legged dog, Nelson and the prim Bishop's sister, Sissie St. John. It's a prolific prose journey of surprising arrivals, machine gun-thwarting and ship-saving escapades of a wayward sailor and his motley crew.
