DavidVon david hollowayFinally found an answer to my problems after 20 years of playing crap golf Great read .

Can't wait to go play

Kurzbeschreibung Not playing golf as well as you should? Then maybe you need a change of approach. Secret Confessions of a Rogue Golf Coach looks at golf coaching from a different perspective. Based on the experiences of natural learning expert Cameron Strachan, he will take you on a journey of discovery and insight as he breaks down the barriers to unlocking your best game. This book takes an honest look at the issues facing everyday golfers and why so many of us find any sort of improvement impossible. If you've tried everything to play your best golf but are still frustrated, then Secret Confessions of a Rogue Golf Coach might just give you the spark you need to light your game on fire. Some questions this book answers: Why do I find golf improvement so difficult? How can I get out of a golfing slump? What is the best way to unlock my natural golf swing? Is there a way to develop a better mental routine? What can I do, starting now, that will allow me to play better golf? Is it possible to control my nerves/fear and play my best golf under pressure?
