Courtesy of Teens Read TooVon TeensReadTooMorgan, aka the Tornado, hates having her private life made public just because her mother's the President of the United States. She hates how she has to hide her boyfriend from the world. She hates not being able to spend quality time with him. She hates sneaking around and stealing kisses.Morgan also

hates Brittany, who seems to pop up at the worst possible moments. Brittany knows about Morgan and Max and, more importantly, she has a photo of them kissing. Now, she's blackmailing Morgan and expects the first daughter to bow to her every whim. Morgan isn't happy dealing with Brittany, but neither does she want her forbidden romance splashed across the newspapers and tabloids. Thankfully, her mother must go to London. Morgan and her BFF will be tagging along. Unfortunately, they discover Brittany will be joining her father on the trip, as well. Will the three girls provoke an international incident, or will they learn to make peace with each other? *SECRETS OF A FIRST DAUGHTER* picks up soon after the first book in the series, *CONFESSIONS OF A FIRST DAUGHTER*, left off. Morgan tackles blackmail, planning for her future, traveling to a foreign country, and a forbidden romance. She might be a chaos magnet, but she sure makes chaos look fun. Kurzbeschreibung Morgan is a National Disaster. Morgan Abbott couldn't be happier. Super-cute Max has quit her Secret Service detail to be her (secret) boyfriend, and the annoying Brittany Whittaker has been ousted from class president, leaving the post open for Morgan! Life is pretty sweet. Now Morgan just has to tackle college applications but she has so much else to juggle that looking that far ahead seems impossible! Good thing she's graceful under pressure . . . well, sometimes. A trip to London should be just the thing to take her mind off all the craziness, but true to form, chaos follows Morgan wherever she goes and the trip turns into an international disaster. Can she make it right? Or will she cause a royal mess? **Pressestimmen** Praise for *Confessions of a First Daughter*: Morgan emerges as a sympathetic, somewhat klutzy character readers will embrace. Her romantic encounter with her secret-service replacement is likely to make hearts flutter. (Publishers Weekly) A fun-filled adventure. Fans of Cabot's *All American Girl* series will scoop up this one. (Voice of Youth Advocates (VOYA)) Fun and breezy. (Kirkus) A light and entertaining read. (School Library Journal) Fun for fans of light tales about coming of age under the spotlight. (Bulletin of the Center for Children's Books) **Kurzbeschreibung** Morgan is a National Disaster.
