Von Ann Anderson : Seduced by Success: No Longer Addicted to Pills, Performance and Praise before purchasing it in order to gage whether or not it would be worth my time, and all praised Seduced by Success: No Longer Addicted to Pills, Performance and Praise:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Poor Will - Von Ein Kunde I gave a star for husband Will and what he's had to endure from a self-consumed wife viewing

life and traumas from her 'me' vantage point. If she has misread others and their conduct, THEY have to convince her otherwise?! Dream on... Too much doesn't add up in this book. I respect the author's individuality and right to live a high drama life, but there is no way I'm donating this book to the church library and thereby condoning poor choices and excuses made - and worse, cloaking them in scriptures to further excuse bad behavior. As much as I enjoyed "I Gave God Time", I disliked this one.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ann, we barely knew you Von M. Ray And I think I like her even better after this book. I've read all of her other ones and she is an inspiration. She is also very melodramatic, but she has had a lot to be dramatic about. This book was a jaw-dropper. Ann Kiemel a drug addict and leaving her husband? Lordy! What's next Sandi Patty having an affair and Amy Grant getting a divorce? Oh wait, that happened too. In any case, it's a great moral lesson that people are not always what they appear, and who they really are is often even more inspiring than who they wanted you to think they were.0 von 0 Kunden fanden die folgende Rezension hilfreich. This part of Ann's life is told with brutal honesty.... Von mstu@doitnow.com For years I have read and re-read all of Ann's books. I always look forward to her new books, and it has been a long wait! Now, we know why. I thank God for her life and pray that she is able to maintain the victory she found. Thanks for your honesty, Ann. You have been a big influence in my life!

Kurzbeschreibung She won our hearts when she told us she was out to change the world. But Ann Kiemel Anderson discovered that success can be addictive, and soon she found that the world had changed her. Ann's first book in five years, *Seduced By Success* chronicles two major battles in her life: combating an addiction to the praise of others and overcoming an addiction to pain medication for a chronic illness. Drug-free for the last two years, Ann now shares heart-to-heart with her readers, saying, "I no longer want power and glory. God has given me a second chance to be used by Him. With quiet joy, I prepare to write something beautiful for God." Kurzbeschreibung She won our hearts when she told us she was out to change the world.
