(English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good contentVon Alejandro de la VegaVery good information to price ratio with tons of valuable hints to start a fba business on for good profits

Kurzbeschreibung Who Else Wants To Quit Their Job And Travel The World?Heres how to set up an online business that lets you retire in just 6 months.Im not kidding. You can be retired in 6 months and never worry about money again. You can spend an entire year in backpacking South East Asia while growing your bank accountwithout working for a single second. I did. And Im ready to show you how to do it.Let me guess. Right about now, youre asking yourself if this could possibly be the biggest online scam in history. Am I right? First, good for you. Theres a lot of junk online these days and its important to keep your guard up. Second, anyone who claims they can help you retire in just 6 months from today has a lot of explaining to do. So lets get to it.What exactly do you mean by retire?I mean that youll never have to work again. I mean that youll get money sent to your bank account without doing any extra work. Some people choose to continue working to grow their business. But, youll have the option to pack your bags and travel for the next 50 years if you desire. Oh, and you can leave your laptop at home Because you wont need to work while you travel.How am I going to get money automatically sent to my bank account?Heres where it gets interesting The short answer: by selling online. Imagine if you had an online store that sold inventory for you. And when you made a sale, somebody else collected the money and mailed the item to your customer. You would get the money without doing any extra work.So how I do I set up one of these online stores?Easy. Have you ever bought something from .com? Im guessing you have because its the worlds largest online store. When you shop on .com, your money gets shared between two people. gets about 20% and the product owner gets the other 80% of your money. If you use to sell items, youll get paid every time someone orders your product. Using .com, you can start selling items right now.But dont I have to ship the products I sell? How can I travel if I have to ship things everyday?Thats the best part. If you set it your online store correctly, you can get .com to do your shipping for you! Its called Fulfillment By or FBA for short. This means you can be sipping drinks on a beach in Thailand while is shipping your items and sending you money.Sounds simple. Why doesnt everyone do this already?Its simple to get started. In fact, if you did a few google searches, Im sure youd find enough info to sell your coffee table book by next week. The problem is, it takes serious know-how before you can grow your Fulfillment By business so it pays you enough to quit your job. Personally, it took me years to crack the code to getting on the top seller lists and finding the inventory that gets crazy profit margins. Thats why I wrote an entire book that shows you step-by-step how to make a killing by selling on .What will I learn from reading your book?Your going to learn how to quit your job and travel the world in 6 months. Really. For example: I show you how to take your very first step towards setting up your FBA business. I walk you through setting up your seller profile, finding your first item to sell (something thats already in your house) and collecting your first sale. Then Ill show you how to find and sell high-demand inventorywithout leaving your house. And getting to ship everything for you.By the end of the book, youll have everything you need to know to become a top seller and take a year long vacation.Stop letting life pass you by.Get the lifestyle that youve always dreamed of with this book right now!Kurzbeschreibung Who Else Wants To Quit Their Job And Travel The World?Heres how to set up an online business that lets you retire in just 6 months.Im not kidding.
