Von John I. Saeed : Semantics (Introducing Linguistics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Semantics (Introducing Linguistics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Lohnt sich!Von FrecklesWer fr die Universitt ein Basisbuch zum Thema Semantics sucht oder braucht ist hier definitiv an der richtigen Stelle.Die Sprache des Buches ist anspruchsvoll, aber fr jeden Englischstudenten, der tatschlich Interesse und Sprachgefhl hat, zu verstehen.Die Beispiele sind anschaulich und das Buch generell bersichtlich strukturiert. Ich konnte sehr gut damit arbeiten.0 von 5 Kunden fanden die folgende Rezension hilfreich. Eine Notwendigkeit fr die Anglistik StudentenVon KMUM es kurz zu machen - dieses Buch ist eine Pflichtlektre in jeder Uni-Bibliothek eines

Anglistik- oder Sprachwissenschaftstudenten. Sehr zu empfehlen.

Kurzbeschreibung The third edition of this popular textbook provides an engaging and accessible introduction to semantics for students new to the field. Explores the basic concepts and methods of the field and discusses some of the most important contemporary lines of research. Contains new solutions to chapter exercises in order to familiarize the student with the practice of semantic description. Completely revised and updated to reflect recent theoretical developments. Includes new sections on classifiers and noun classes, as well as conceptual integration.

Pressestimmen "This new edition of Saeed's textbook is clearly written and very comprehensive, with updated discussions of important areas in semantics. It is impeccably structured, includes useful exercises and will serve as an excellent main text for introductory and intermediate semantics classes." David Adger, Queen Mary, University of London "This lively book provides a truly comprehensive introduction to current linguistic semantics. Used in introductory and intermediate courses in semantics, it will supply teachers with an easy-to-use basic text and students with an accessible source of dependable information." Ronnie Cann, University of Edinburgh
