KurzbeschreibungLike millions of other kids, Jim grew up wanting to be a superhero. Unlike most of his contemporaries, however, Jim actually had the goods: a plethora of super powers that would have been the envy of any meta on the planet. But when his tryout with the Alpha League - the world's premier group of supers - goes disastrously wrong, Jim basically becomes an outcast. Two years later, Jim is still bitter about what happened to him. However, he soon finds himself the centerpiece in an odd turn of events that gives him a second chance at his dream. But nothing is as easy as it sounds, as Jim soon discovers. Among other things, hes made an enemy of a prospective super teammate, hes being stalked by an unknown pursuer, and a shadowy cabal bent on world domination has identified him as the only obstacle to their plans. Its a lot for one super to handle, even with a smorgasbord of abilities. But if saving the world were easy, everyone would do itKurzbeschreibungLike millions of other kids, Jim grew up wanting to be a superhero. Over the years, he has found employment in a wide variety of professions, including - among other things - a stint in the military, working for UPS, in a research lab, as a waiter, and as a telephone survey taker. Somewhere in between all that, he found time to earn 3 degrees and foster his love of reading and writing. "Sensation" is his first superhero/fantasy/adventure novel, and he is currently hard at work on the sequel.
