erstaunlich guter Ratgeber Von Steinmller In Vorbereitung einer Geschftsreise nach Seoul habe ich dieses Buch bei Kindle Unlimited ausgeliehen - und war begeistert. Kurz knapp und przise werden Tipps gegeben, wie man - vom Zeitpunkt der Einreise bis zum Abendessen - in Seoul am besten zurecht kommt. Wichtig sind auch die Hinweise, was

man NICHT tun sollte. Kurzum: dieses Buch ist uneingeschränkt als erste Grundlage zu empfehlen.

KurzbeschreibungIt's like getting a whole extra day in Seoul![Spring 2016 Edition - Updated March 2016]Planning a trip to Seoul, Korea?Most visitors to Seoul have a wonderful time, but nearly all experience a common problem: Seoul travel books are full of serious errors!It's not the authors' fault. Seoul is over 600 years old, but life moves quickly! Fashion, social norms, laws and even buildings and subway lines are changing constantly. The Seoul Survival Guide is published twice a year, and each new edition contains dozens of updates. Typical travel books go years between editions, and can develop serious errors very quickly, sometimes even before they hit shelves.Avoid the frustration of wasted time and money by supplementing your travel book with a copy of the Seoul Survival Guide. With less stress, plus the time and money you'll save, it's like getting a whole extra day in Seoul! Spend your time enjoying the food and culture, not on the mundane details of getting cash and navigating public transportation.Save Time and MoneyThe Seoul Survival Guide has been mercilessly edited to just 40 pages of useful, relevant information. It's easily read in an airport terminal, and compact enough to carry with you throughout your trip.Follow this book's money-saving tips and the book will pay for itself within your first 12 hours in Seoul.Learn what you should do before leaving the airport; where and when to exchange money; which mode of transportation is best; where to eat and shop; how to get online. Each section includes useful words and phrases, both romanized (so you can say them yourself) and written in Korean (so that you can point to them). If you have a spare hour or two, you can even learn to read Hangul, the Korean alphabet.Contents:IntroductionBefore You GoGeneral InformationSafety EmergenciesPronunciation TipsUseful Words PhrasesArrival / CustomsMoneyPhonesInternet AccessTaxisSubwaysBusesT-Money Prepaid Payment CardsFood DiningShopping TipsSightseeing TipsAppendix A: Hangul, the Korean Writing SystemAppendix B: Essential Mobile AppsAppendix C: Useful Phone Numbers LinksQuestions FeedbackKurzbeschreibungIt's like getting a whole extra day in Seoul![Spring 2016 Edition - Updated March 2016]Planning a trip to Seoul, Korea?Most visitors to Seoul have a wonderful time, but nearly all experience a common problem: Seoul travel books are full of serious errors!It's not the authors' fault.
