**Von Lin Pardey, Larry Pardey : Seraffyn's European Adventure** before purchasing it in order to gage whether or not it would be worth my time, and all praised Seraffyn's European Adventure:

An enjoyable, quick, readVon Ein KundeThis is the second of 4 books in the Pardey's Serrafyn series which describes their many year wanderings around the world on their small wooden sailboat. Both my wife and I read the first

("Cruising with Seraffyn") and had to pick up this next volume. The Pardeys have a very easy and relaxed writing style. Reading these books makes you feel like you are friends with them and enjoying the ride vicariously. They are enjoyable for the both the real and armchair sailor alike. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The 2nd and the best! Von Reinhard Grossmann The second volume of a total of four. I wrote for the first adventure ("Cruising with S...") that I never read anything better. The Pardeys proof me wrong. Seraffyn's (and her crew's) meandering in both the North Sea and the Baltic Sea are written so vividly, you cannot drop the book until you'll have read the last page, and you're longing for more. You just started to read in English? You want to improve your language skills by means of reading? Seraffyn's Adventures as first rate course books. Apart from the issues of seamanship or conjugal life you conjure up the ghosts of the cold-war years, and of wonderful friendship across borders and cultures. Although the Mediterranean and Oriental Adventures are a similar delight to devour, this European Adventure is for me the first amongst equals.

Kurzbeschreibung Join Lin and Larry while they winter in England working to pay for the next leg of their journey into the Baltic, Denmark, Sweden, Finland, Germany. They dealt with armed guards on the Polish waterfront who watched while the people greeted them with flowers and fruit. They weathered a fierce mast-under broach in a Baltic gale. This story ends at the gateway to the Mediterranean to be continued in Seraffyn's Mediterranean Adventure. Kurzbeschreibung With this edition of Seraffyn's European Adventure, all four of the Pardey's classic Seraffyn tales are available in affordable paperback. Synopsis During the two-and-a-half years covered in this book, the Pardeys voyaged less than 6000 miles but came to marvel at the variety of opportunities opened to them whilst they lived aboard the 24-foot "Seraffyn".
