**Von Lila Hammond : Serbian: An Essential Grammar (Routledge Essential Grammars)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Serbian: An Essential Grammar (Routledge Essential Grammars):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. absolutely recommendableVon codemaster777Since my mother tongue is german I was looking for a book on Serbian for a long time, because there is no book German-Serbian that is sufficient. This book really includes all relevant

grammar and is totally structured. I was really glad to find it. It helped me a lot to understand and learn the language. A basic understanding of the structure of languages is still needed (eg. what are cases, differences in tenses etc.) but this is needed anyway when learning a foreign language.

Kurzbeschreibung Serbian: An Essential Grammar is an up-to-date and practical reference guide to the most important aspects of Serbian as used by contemporary native speakers of the language. Refreshingly jargon free, it presents an accessible description of the language, focusing on the real patterns of use today. A reference source for the learner and user of Serbian irrespective of level, it sets out the complexities of the language in short, readable sections. Features of this Grammar include: \* use of Cyrillic and Latin script examples throughout\* a cultural section on the language and its dialects\* clear and detailed explanations of simple and complex grammatical concepts\* detailed contents list and index for easy reference. Well-presented and easy to use, Serbian: An Essential Grammar is ideal either for independent study or for students in schools, colleges, universities and adult education.
