Kurzbeschreibung Many of us are serving, and feel like we're sinking. We feel joyless, weary and burdened. John Hindley shows how Jesus was telling the truth when He offered people an "easy yoke" a way of serving Him that is joyful and liberating. He explains why serving is so often joyless and how our identity in Christ changes everything. If you are serving, but sometimes feel as though you're sinking you need this book! If you know someone who has burn out, or is heading in that direction...they need this book too.
