actually in his shoes from when he was a kid to now. Even though this book was unauthorized, I didn't care. I am one of Seth's number one fans, and finding out more information on his life was a thrill to me. From childhood to adulthood, this biography will amaze all readers. To tell you the truth, it will inspire you to be not only the "Greenest" person out there, but to work your hardest to achieve all goals in life!0 von 0 Kunden fanden die folgende Rezension hilfreich.
