CohanVon BernieA light weight writer, Mr. McGee, besides that it is time for him to write a classic novel; in an effort to write this novel he needed to find a place for perfect solitude. That place turns out to be an inn high up on Baldpate Mountain that was closed for the winter. Little did he know that there were seven Keys to Baldpate Inn. With each key can a person or persons with unique characteristics and a good reason for being there. If you can believe who they are and their reasons. Mr. McGee

suspects them all of being some part of a convoluted plot which nobody will let him in on. We go along for the ride. There is no use speculating. And Mr. McKee's chivalry may be his undoing. Be sure to read the book to the last sentence. I came to this book by Earl Derr Biggers (of Perry Mason fame) after watching the 1935 version of Seven Keys to Baldpate with Walter Brennan as the station master. I have still to see the play however the movie was more based on the play than the book. Some of the statements were directly out of the book but many others had that Cohan feel. Meantime the book stands alone as a great example of a 1913 Erle Stanley Biggers mischief and mystery. 0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsisA famous author comes to a summer mountain resort in the dead of winter, determined to find peace and quiet to write his next book. But before his first night is out, a steady stream of unexpected visitors begins to fill the hotel - men and women with stories of love, loss, and flight - none of them telling the truth. Before the week is out, there will be gunfire, bribery, fights in the snow, and hidden truths unmasked. "Seven Keys to Baldpate" is a mystery that will leave you guessing to the end. Earl Derr Biggers penned "Seven Keys to Baldpate" long before he created his most famous character, Chinese detective Charlie Chan, yet in its day it was a popular best-seller and became the source for no less than seven films.
