Von T.E. Lawrence : Seven Pillars of Wisdom: A Beautifully Reproduced World Classic - Special Edition Including Every Illustration before purchasing it in order to gage whether or not it would be worth my time, and all praised Seven Pillars of Wisdom: A Beautifully Reproduced World Classic - Special Edition Including Every Illustration:

Kurzbeschreibung The definitive version of one of the greatest books ever written. Produced from the rare 1935 edition, Apostrophe Books release of T.E. Lawrence's *Seven Pillars of Wisdom* has all the charm of the original, plus its 58 stunning pictures and maps. Published in 1935, *Seven Pillars of Wisdom* tells the story of the Arab Revolt of 1916-1918 through the eyes of the soldier who would book a place in history as the great Lawrence of Arabia. "It ranks with the greatest books ever written in the English language. As a narrative of war and adventure... it is unsurpassable" (Winston Churchill) "Round this tent-pole of a military chronicle, T. E. has hung an unexampled fabric of portraits, descriptions, philosophies, emotions, adventures, dreams" (E.M. Forster) "I am not much of a hero-worshipper but I could have followed T.E. Lawrence over the edge of the world... It seems to me as certain of immortality as anything written in English for half a century" (John Buchan) "Seven Pillars of Wisdom is one of the major statements about the fighting experience of the First World War" (Angus Calder) "Emotional and mythic" (Guardian).de This is the exciting and highly literate story of the real Lawrence of Arabia, as written by Lawrence himself, who helped unify Arab factions against the occupying Turkish army, circa World War I. Lawrence has a novelist's eye for detail, a poet's command of the language, an adventurer's heart, a soldier's great story, and his memory and intellect are at least as good as all those. Lawrence describes the famous guerrilla raids, and train bombings you know from the movie, but also tells of the Arab people and politics with great penetration. Moreover, he is witty, always aware of the ethical tightrope that the English walked in the Middle East and always willing to include himself in his own withering insight..com This is the exciting and highly literate story of the real Lawrence of Arabia, as written by Lawrence himself, who helped unify Arab factions against the occupying Turkish army, circa World War I.
