It's just alrightVon Wasistini BaitoningsihIf you like 80s' style detectives, this would be perfect. SexCastle is a kind of hero that always win the fight and looks cool. Just like TV series 'Hunter' or 'The A Team'

KurzbeschreibungThe Former World's Greatest Assassin leaves the world of killing to a small town only to be pulled back in. An exciting action romp in the style of classic '80s action films."SEXCASTLE is a perfect mix of homage and comedy, action and irony, loving tribute and hilarious send-up of the great, good, and ungodly-bad action movies of the '80s. I don't remember the last time a debut book hit me this hard. Literally, this book punched me in the face. It's THAT mean." - Matt Fraction
