KurzbeschreibungAre you a sheep, a goat, or a wolf? In this book you'll find a scriptural yet practical explanation of human behavior. Brother Barclay uses a powerful scriptural comparison to help believers locate themselves as a sheep, goat or a wolf. The characteristics of each are listed in this book, and there is a quiz for self examination. This book is helpful for both pastors and believers in dealing biblically with the sheep, the goats, and the wolves in their local church.
