Von Arthur Conan Doyle : Sherlock Holmes and the Sport of Kings Level 1 Oxford Bookworms Library: 400 Headwords before purchasing it in order to gage whether or not it would be worth my time, and all praised Sherlock Holmes and the Sport of Kings Level 1 Oxford Bookworms Library: 400 Headwords:

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. Schnur Krimiefall! Von Peter Mal wieder eine Sherlock Holmes Geschichte, finde sie ehrlich gesagt gut. Man kann damit auch super etwas mehr Englisch lernen. - Tochter von Herr Baumann1 von 1 Kunden fanden die folgende Rezension hilfreich. A very interesting book Von M. May The book was written by Sir Arthur Conan Doyle. Sherlock Holmes and the Sport of Kings is a successful detective story. The book is about a very famous horse, Silver Blaze. It has won a lot of prizes at horse races. Its trainer, John Straker, is dead. The servant, Edith Baxter, found him. Silver Blaze disappeared after his trainer was killed. And that is the beginning of an interesting and successful case for Sherlock Holmes and Dr. John Watson. We rated the book with 4 stars because the story is very interesting, but at a certain point you can already guess what is going to happen in the book. We liked reading the book and would recommend it to others because it is a nice book for children. It is also very good for improving your English.

KurzbeschreibungA level 1 Oxford Bookworms Library graded reader. Retold for Learners of English by Jennifer Bassett. Horseracing is the sport of kings, perhaps because racehorses are very expensive animals. But when they win, they can make a lot of money for the owners, for the trainers, and for the people who put bets on them. Silver Blaze is a young horse, but already the winner of many races. One night he disappears, and someone kills his trainer. The police want the killer, and the owner wants his horse, but they can't find them. So what do they do? They write to 221B Baker Street, of course - to ask for the help of the great detective, Sherlock Holmes. KurzbeschreibungA level 1 Oxford Bookworms Library graded reader.
