Von Kyoko Mori : Shizuko's Daughter before purchasing it in order to gage whether or not it would be worth my time, and all praised Shizuko's Daughter:

Kurzbeschreibung Shizuko's Daughter by Kyoko Mori An ALA Best Book for Young Adults A New York Times

Notable Book After her mother's suicide when she is twelve years old, Yuki spends years living with her distant father and his resentful new wife, cut off from her mother's family, and relying on her own inner strength to cope with the tragedy. *Pressestimmen* "A cast of three-dimensional characters, keen imagery and attention to detail produce an emotionally and culturally rich tale tracing the evolution of despair into hope." --Publishers Weekly, starred review
