KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooTeresa Adams, aka Tere, is painfully shy. Just the thought of speaking to people feels like a glob of peanut butter is stuck in her throat.The only time she is totally comfortable is in the privacy of her own room, her iPod pumping in her ears, and doing mock broadcasts for Miami's hottest FM radio station - SLAM - which also just happens to be owned by her stepfather.Tere surprises herself when a slot opens up at the station and she tells Rob, her stepfather, that she could help out. Suddenly, she is the new intern. Her confident on-air persona is Sweet T. Everyone loves her. Even Gavin, her crush that she can actually talk to, raves about how great the

show is. To get more listeners, the station decides to hold a contest to win a date to the prom with Sweet T. Tere is less than thrilled. But maybe she will meet her knight in shining armor, and in the process, find her voice. This story was really cute. At first it was kind of hard to get into, but after a while, I couldn't put it down! It was fun for me to read, because I'm a shy person, and I could really relate to Tere. I enjoyed all the made up band names - they were cool! And one of them was Shrinking Violet. I was confused by the title for the longest time, but once I came upon the band name, I understood, and there is a cute meaning behind it. I really enjoyed this book, and when it comes out, you should pick it up. Danielle Joseph has written a great debut novel! Reviewed by: Ashley B

**Kurzbeschreibung** High school senior Teresa Adams is so painfully shy that she dreads speaking to anyone in the hallways or getting called on in class. Even Gavin, the only guy in school who she dares to talk to, raves about the mysterious DJ's awesome taste in music.
